36 at first union counselor training meet; others planned

Thirty-six members of organized labor unions heard Mildred Backs, taxpayer services specialist of the Internal Revenue Service, discuss changes in 1976 tax laws during the first of a series of classes designed to train union counselors.

The speaker discussed tax filing procedures; retirement tax laws; travel credits for work-related driving; the interpretation of retirement and inheritance credits, and other tax topics brought up by questions from the audience.

A film on income tax returns audits had been scheduled, but the discussion exceeded its time limit and the speaker agreed to return to this area at a future date to show the film.

The first session was attended by participants from United Steelworkers of America Locals 16, 20, 1063, 4004, 4063, 1063, 1021; Letters Carriers' Local 1132; Cooks and Waitresses' Local 401; Bricklayers Local 65; Office and Professional Employees Local 13; Laborers' Local 397; Granite City Federation of Teachers Local 743; Carpenters' Local 295, and Retail Clerks Local 435.

Resignations accepted

The Granite City Board of Education has accepted five resignations, one resignation from extracurricular activities and has employed a new campus monitor for Granite City High School South.

The new monitor is Jeffrey Larner, 3817e Village Lane.

Resignations accepted were those of Beatrice Wright, South home economics teacher, who is retiring; Rebecca Picard, German and French teacher at South, who is moving; Mary Phillips, South cafeteria employee, who is retiring; Loretta Coleman, Stallings School cafeteria employee, who is retiring, and Deborah A. Plummer, special education teacher at South.

All interested residents of the area are invited to attend, Larry Miller, AFL-CIO community services director for the United Way, announced. The program is sponsored by the Tri-City Trades and Labor Council.

Reservations may be made by calling Miller's office at 877-6780.

Candidates to appear at Demo Club meet

Candidates for the top city and township offices in Granite City are being invited to address the Granite City Democratic Club Wednesday night at the Knights of Columbus Hall.

Being invited are candidates for mayor, clerk and treasurer of Granite City, and for supervisor and assessor of Granite City Township.

The public is being invited to attend and hear the candidates, who will begin their talks at 8 p.m.

CONCERT TONIGHT

The 90-member Granite City High School North Concert Band will present the third in a series of concerts today at 8 p.m. in the North cafeteria.

The concert band, under the direction of Robert D. Todoroff, will feature melodies of the 1940s.

In addition to the nutrition fair, hospital dietitians can be heard on WGNV (52 AM) during three to four-minute spots between 8:30 and 8:45 a.m. each day this week. The dietitians will discuss basic nutritional facts and fallacies.

REGISTERED DIETITIAN Nancy Wargin explains a heart patient diet to Joseph Stable of Fairmont City at St. Elizabeth Hospital where Nutrition Week is being observed in a program this week.

Nutrition Fair highlights observance at SE hospital

A nutrition fair on Wednesday will highlight National Nutrition Week being celebrated at St. Elizabeth Hospital today through March 12. Open to the public, the fair will be held from 1:30 to 3:30 p.m. in the Weisman Room. It will feature exhibits, movies, snacks and informational pamphlets of current issues of debate, such as cholesterol levels and fibrous foods.

Judging of posters created by area junior high and grade school students will take place at that time. Opportunity will be provided for blood pressure checks and winning participants of an in-house, five-week weight loss clinic will be announced.

In addition to the nutrition fair, hospital dietitians can be heard on WGNV (52 AM) during three to four-minute spots between 8:30 and 8:45 a.m. each day this week. The dietitians will discuss basic nutritional facts and fallacies.

"Other planned activities include specially prepared cold plates in the hospital cafeteria.

National Nutrition Week is the most concentrated joint effort to remind persons to avoid the convenience and "junk" foods on the market and "to get back to the basics," according to Mrs. Nancy Wargin, registered dietitian.

The four basic food groups include (1) meat (2) milk (3) vegetables and fruit, and (4) bread and cereal.

"That old saying 'You are what you eat' is really true. When you're eating the wrong foods, it can cause problems with your body," she said.

A few examples of nutritionally-related diseases are: malnutrition, a lack of excess of nutrient supply; hypertension and its association with sodium consumption;

diabetes and heart problems in connection with obesity; anemia, a condition brought about by an iron and/or vitamin deficiency; liver problems from alcohol intake and diseases related to a deficiency and/or toxicity with vitamins A, D, E and K. Obesity also is considered to be malnutrition, she noted.

"Good nutrition is not difficult to practice. It's simple if you follow the basic four food groups and their recommended amounts," Mrs. Wargin said. Hospital dietitians will also

address the problem of food fad deceptions and diet misinformation found in many women's magazines.

Two injured in crash on Fehling

Two persons were injured at 11:40 p.m. Thursday when autos operated by Benjamin L. Fisk, 2713 Idaho Ave., and Mrs. Joy A. Edwards, 39, of 2214 Kilarney Ave., collided on Fehling Road about 50 feet south of Bradley Avenue.

Mrs. Edwards and her son Brian, 14, a passenger in her auto, were taken to St. Elizabeth Hospital and released following treatment. Mrs. Edwards received a cut to her cheek and Brian a cut to his face.

It was reported that the Fisk auto, southbound on Fehling Road, slid on the roadway and went out of control, striking the left side of the auto driven by Mrs. Edwards which was northbound.

Hearing Thursday on nursing home building plan

Details of a proposal to build a new 176-bed nursing home in Granite City will be aired at a public hearing to be held in the City Council chambers at the city hall at 8:30 p.m. Thursday.

The hearing has been called by the Greater St. Louis Health Systems Agency of St. Louis from which authority must be obtained in the development of health-oriented projects.

Robert D. Finney, executive director of the Health Systems Agency, said the hearing was scheduled on an application by the Illinois Health, Recreational and Retirement Facilities, Inc., an organization that will guide financing and operational procedures of the proposed nursing home.

Finney said the hearing is open to the public and citizens of the area will be given the opportunity to present relevant written or verbal comments on the proposal.

Construction of the nursing home at a cost estimated at \$1,900,000 on a site in the 2900 block of Mockingbird Lane is planned by Jerry Maeras, Madison.

The site is between the Steelcrest Addition and the Alton & Southern Railroad Tracks.

Once it is built, the nursing home would be administered by the Jerry Stephen Maeras, Inc. The plan first was submitted to the Granite City Council in 1975. Subsequently, the council approved sewer planning for the project and approved an agreement under which the

facility would be deeded to the city after a 20-year amortization period for retirement of bonds which would be sold to finance the building.

Maeras announced last week that an advisory board to serve in conjunction with the board of directors of the Illinois Health, Recreational and Retirement Facilities corporation has been appointed.

The advisory board is made up of Avery Schermer, chairman; Helen Doris Friedman, Mrs. Betty Jane Gudac, Donald Adams, Mrs. Gene Engleke, Mrs. Nigel Maeras, Mrs. Ruth Willard, Mrs. Dorothy Bruck and Francis Townsend.

Members of the board of directors of the health facilities corporation include John Belkoff of Madison as chairman, Miss A. E. Shaw, John A. Kleeman, Dr. Robert Hill, Dr. G. T. Wilkins Sr., Dr. E. L. Stroehle, Leonard Yelton, the Rev. John Polizzi and the Rev. J. Albert Callaway.

"Be Sure With Schuler"

PAID FOR BY SCHULER FOR MAYOR COMMITTEE
3501 NAMEOKI RD.

The equity in your house is like money in your pocket.

Equity is the difference between how much your home is worth, and what you owe on it.

It's a valuable asset you can use to back a really big loan. For whatever you have in mind.

Real-estate values are up, up, up.

So the house you bought just a few years ago probably would sell for a lot more than you paid.

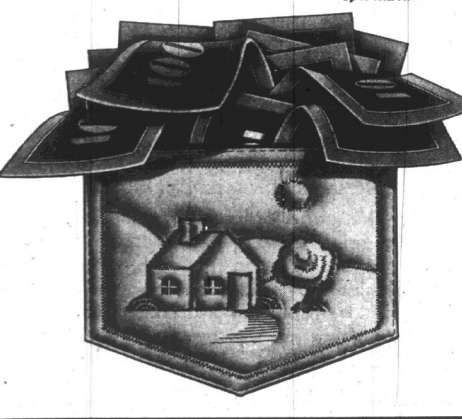

Which means your equity is bigger. And the bigger your equity, the more

you can borrow in a large real-estate loan. Right here. Right now.

Maybe the money you're looking for is already in the house.

the city's share of federal and state moneys for local projects.

This was accomplished by receiving \$15 million from federal and state agencies for local projects.

"The promise was to end the communications gap with the City Council. This was accomplished by the City Council and the public being 100 per cent informed on all projects concerning the city."

"The promise was to complete road projects. This was accomplished with the completion of Johnson Road, the actual starting of construction on Maryville Road, and the installation of the 'opticon' system which increased safety for both firemen and citizens and should help to prevent traffic accidents which have occurred in the past between emergency and private vehicles."

"The promise was to improve animal protection. This was accomplished with the modernization of the animal shelter and increasing the staff."

"The promise was for curb and sidewalk improvements. This was accomplished by equal distribution of \$2 1/2 million between all seven wards of the city."

"Having served as mayor for three years, these matters are still uppermost in my mind. And having fulfilled all of my campaign promises, I could run on my record, but I have additional goals for our city if I am privileged to be re-elected to a second term in office."

"I still feel very deeply that the continued cooperation of the mayor and council is imperative for the success and revitalization of our city."

"I have decided to become a candidate for a second term to attempt to complete the projects that have been started, such as Maryville Road, the 19th Street overpass, the new public buildings and many more," Mayor Schuler said.

"As I look back over my first term, there is no doubt that there has been a kindling of the spirit of cooperation, not only between the mayor's office and the City Council but also between all the departments of the city."

"The pay scale of city employees has been brought more into line with those in private industry."

"Other facts include the brighter and more cheerful appearance of our City Hall and other city buildings, the completion of several pocket parks, the improved traffic patterns, the increase in jobs and employment in our city, the demolition of many hazardous and unoccupied buildings and many others."

All of this was financed with only a minimal increase in local taxes through the establishment of greater cooperation with federal and state offices to have our city receive its fair share of federal and state moneys," the mayor concludes.

A lifelong resident of Granite City, Paul Schuler, 45, is the oldest of four children born to Fred and Theresa Coleman Schuler. He received his local

schooling at Sacred Heart School and Granite City Senior High School, after which he served two years in the U.S. Army.

Subsequent to his discharge from the Army, he enrolled in the St. Louis College of Pharmacy, where he received a bachelor of science degree in pharmacy in 1957.

His first elective office was in 1963, when he was elected to the Granite City Park Board.

During his tenure as president of the park district in 1967-1968, the board achieved a broadening of the scope of park activities.

"Facilities of Wilson Park were expanded with the construction of the ice skating rink and the erection of a snack bar and comfort station. Worthen occurred in the past between emergency and private vehicles."

"The promise was to improve animal protection. This was accomplished with the modernization of the animal shelter and increasing the staff."

upholstery. Do not use laundry products, household cleaners or solvents.

S Clean with a water-free solvent dry-cleaning products. (Petroleum-distillate-based products should be used in a well-ventilated room. Avoid products containing carbon tetrachloride which is highly toxic.) Do not use detergent or solvent-based solvent cleaners which may cause excessive shrinking or permanent stains.

S W Clean with only the foam of an upholstery shampoo or use a water-free solvent dry-cleaning product.

X Clean by frequent vacuuming or brushing only. Do not use water, solvent or detergent-based cleaners of any kind, as they can cause shrinking or fading.

These symbols are found on a hangtag attached to the "vamp" (under the seat cushion) or the back of a couch or chair.

Bonnie Clark, director of the Bissell Consumer Service Institute, says shoppers should look for this information on hangtags: the manufacturer, fiber content, composition of fiber fill and cushioning, care instructions, colorfastness, shrinkage and spot-stain resistance.

She also recommends regular care to make upholstered furniture look its best.

Vacuum cushions once a week. Be sure to clean armrests, back and crevices. If cushions are reversible, turn them each week to allow undersides to "breathe" and deterioration.

Use partial slipcovers on arm- and head-rest areas which receive the most wear.

Keep upholstered furniture away from direct sunlight to prevent fading and deterioration.

Treat spills quickly before they stain. Blot up excess liquids and scrape up solids as soon as possible.

Shampoo upholstery two or three times a year with an upholstery shampoo to remove greasy dirt. Do not use a laundry detergent that requires rinsing.

Before cleaning upholstery, read the instructions on the hangtag and shampoo container.

Never remove zippered covers from cushions to clean. In case of shrinkage, covers may be difficult or impossible to replace.

Pretest cleaner on an inconspicuous area of the upholstery.

AUTOMOBILE STOLEN

The black 1971 over green 1971 Chrysler Newport two-door auto of Daniel Rill, 2006 Collinsville Ave., Madison, was stolen from the parking lot of Nameoki Cinema on Nameoki Road between 7 p.m. and 9:25 p.m. Friday. The car has a dent in the left rear.

Rites held for Norman Stillwell

Funeral services were conducted at 1 p.m. Saturday at a Granite City funeral home for Norman Stillwell, 72, of 1630-32 State St., a lifelong resident.

He was found dead in his home Monday and pronounced dead at 10:30 a.m. by Madison County Deputy Coroner Randall Irwin.

Mr. Stillwell was employed in the open hearth department of Granite City Steel for 42 years prior to his retirement.

His wife, Mrs. Helene Stillwell, died in 1970.

Survivors include a sister-in-law, Mrs. Jo Ann Stillwell of Granite City and nieces and nephews. A brother, Wesley Stillwell, preceded him in death.

Details are given in the obituary column.

Private rites for McKinnon infant

Private graveside services were held Friday for Brian M. McKinnon, son of Mr. and Mrs. George A. (Kathy) McKinnon of Collinsville, who died in Cardinal Glennon Hospital, St. Louis, Thursday, a day after his birth at St. Elizabeth Hospital here.

In addition to his parents, the infant is survived by a brother, Jason R., at home; grandparents, Mrs. Joseph Arnold of Collinsville, Marvin Hermes of Glen Carbon and Mrs. Deloris McKinnon of Edwardsville; great-grandparents Mrs. Capola Linberg of Maryville and Mr. and Mrs. Glen Hermes of Brighton.

Albert J. Hood services held

Funeral services were held Friday afternoon at a Collinsville funeral home for Albert J. Hood, 65, of 3213 Princeton Ave., State Park Place, who died Wednesday at St. Louis University Hospital.

Mr. Hood was a member of Bethel Evangelical Free Church in Granite City and was a member of Operating Engineers' Union 520.

He leaves his wife, Ann Criley Hood, a daughter, four sisters and a brother.

Brian Bronsman found dead

Brian E. Bronsman, 38, of 4734 Lake Drive, Lot 25, Pontoon Beach, was found dead at his home late Friday night and was pronounced dead at 12:15 a.m. Saturday by Madison County Deputy Coroner David Partney.

An autopsy has been conducted and an inquest into the cause of death will be held.

Mr. Bronsman was born in East St. Louis, and has resided in Granite City 15 years. He was employed since 1968 as a salesman for Aetna Life and Casualty Insurance Co. He was a member of Nameoki Presbyterian Church.

Surviving are two daughters, Misses Karen and Kathy Bronsman of Granite City; a son, Kevin Bronsman of Granite City; two brothers, Arthur L. Bronsman of Cahokia and

Daniel D. Bronsman of Belleville, and three sisters, Mrs. Joan Dobbs of Belleville, Mrs. Judith Sandman of Point, Wis., and Mrs. Jean Moore of St. Charles, Mo.

Funeral arrangements may be found in today's obituary column.

History class on religions

A history course entitled "Problems in the Religious History of the Modern West" will be offered at SIUE during the spring quarter.

Samuel C. Pearson Jr., professor of historical studies, said there has never been another course like the one taught here. He said it is only offered for students who are juniors or seniors.

Course content will be in the form of a seminar examining the topic of toleration from ideological, institutional and psychological perspectives, from the eve of the Renaissance.

The course is scheduled for 9:30 a.m. Monday, Tuesday, Thursday and Friday. Pearson said he welcomes the opportunity to discuss plans for the course with interested students. His office is in the Peck building, room 324, and his telephone number is 692-2414.

Advanced dog obedience class planned at 'Y'

Donald Rains, program director of the Tri-City Area YMCA, has announced that the "Y" will feature an advanced dog obedience course in addition to the YMCA's basic dog obedience course.

The advanced course will include instruction in retrieving, scenting, retrieving, hurdles and silent hand signals. Prerequisite for the course will be a graduation certificate in the YMCA's basic dog obedience course.

The class will begin Tuesday, March 8, from 8:30 p.m. to 10 p.m. The instructor for the course will be Harold D. Cavins. Additional information may be obtained by telephoning the YMCA at 676-7200.

Chouteau posts higher budget for road work

Highway budgets totaling \$250,150 were posted by the Chouteau Township Highway Department Monday for 30 days public inspection.

The new budgets are higher than last year's budgets in every fund and are a total of \$21,650 higher than the 1976-77 fiscal year highway budgets which totaled \$229,500.

Budgets posted include \$109,250 in the general road and bridge fund, up \$750 from the \$108,500 in the previous fiscal year; \$127,000 for the permanent hard road fund, up \$17,000 from the last budget totaling \$110,000; \$12,000 for municipal retirement, up \$2,000 from \$10,000 last year, and \$1,900 in a new fund for repairing bridges at the joint expense of the township and county.

General road and bridge categories in the new budget, with last year's appropriation in parenthesis, are: drainage \$15,000 (\$15,000); administration \$35,960 (\$27,000);

maintenance of roads, \$38,300 (\$40,600); maintenance of bridges, none (\$9,300); purchase of machinery \$3,000 (\$3,000); repairs to machinery \$12,000 (\$10,000); and contingencies \$5,000 (\$3,600).

In the permanent hard road fund, the entire \$127,000 was listed under the maintenance of hard roads. In the previous fiscal year, \$100,000 was reserved for the maintenance and improvement of earth roads and \$10,000 was budgeted for the maintenance of hard roads.

While \$93,300 was appropriated in the 1976-77 fiscal year for the maintenance of bridges in the general road and bridge fund, the appropriation for the repairs was reserved in the new budgets for a separate \$1,900 joint expense bridge repair fund.

A public hearing on the budgets will be held at 7 p.m. Tuesday, March 29, to be followed by action on the budgets by the Town Board of Auditors.

Four indicted in Madison arson case

A Madison County grand jury has returned indictments against four Granite City residents who allegedly conspired to burn a vacant two-story frame house at 1857 Edwardsville Road, Madison, Jan. 26, to defraud an insurance company.

Willard Leroy Isham, 39, Donald Martin Williams, 19, Bobby Gene Hinson Jr., 17 and Judy Williams, all of 2301 Nameoki Road, lot two, were charged in indictments with conspiracy and with two counts of arson.

One arson charge alleges they set fire to the house, owned by David Earl Barnett, and the other arson charge alleges they committed the arson with intent to defraud General Accident Fire and Life Insurance Co., which insured the house and its contents.

The other charge alleges they

conspired in agreeing with each other to commit arson.

Madison police alleged the three indicted men were seen fleeing from the fire, which started about 11 a.m. Jan. 28. Their auto was stopped in Madison after the fire and the three were questioned and charged.

Judy Williams was not charged until the grand jury indictment was returned.

The fire gutted the house, which had an estimated value of \$12,000. Several Madison volunteers narrowly escaped injury fighting the fire when the roof collapsed while they were inside the house on the second floor.

Police alleged they had been watching the house for several weeks and that someone was seen moving "good furniture" out of the house and replacing it with "old, junk furniture."

Myers heads inventory and production group

Robert C. Myers, 40, of 187 Sandy Shore Drive, Arlington Heights, Granite City, has been elected president of the St. Louis Chapter, American Production and Inventory Control Society (APICS), for 1977.

APICS is a professional society composed of persons actively involved in work which relates to the managing of production and inventories for companies of all sizes. The society has 20,000 members nationally and the chapter has 240 members representing 80 companies from the metropolitan area, including A. O. Smith Corp., Olin Corp., Laclede Steel Co. and Owens-Illinois.

Myers is employed as works manager, production control, at Laclede Steel's Alton plant. He holds a bachelor of science degree from Washington University and a master of business administration degree from Southern Illinois University at Edwardsville.

He and his wife, Velma, have been residents of Granite City since 1952, and both are graduates of Granite City High School. They have three sons. The St. Louis Chapter of APICS holds regular dinner meetings on the second Tuesday of each month except June, July and August. Meeting programs

center around technical presentations concerning the latest techniques and experiences in the production and inventory field. The society will next meet on Tuesday, March 8, at the Breckenridge Pavilion Inn, downtown St. Louis. A typical meeting is composed of a social hour at 6, dinner at 7, and a program at 8 with adjournment between 9 and 9:30 p.m.

INTEREST CENTERS ADDED TO CLASS-ROOMS: A "Make It and Take It" day is shown being held for teachers in Madison School District 12. This workshop was concerned with teachers making learning games for special interest centers in their classrooms. Teachers participating in the workshop included (left to

right) Mike Garland of Granite City, Rosie Fields of Collinsville and Mary Quinn of East St. Louis. The workshop was jointly sponsored by the Southern Illinois University at Edwardsville Teachers Corps Project and the Madison school district.

Budget cuts ordered in Title I school program

Program cuts to reduce the budget of the Granite City School District's Title I educational program by about \$70,000 are being sought under an order issued Tuesday night by the Granite City Board of Education.

Dale C. Rea, assistant to the superintendent of schools, reported to the board that the budget for the current year for the Title I program, which includes preschool, remedial reading and other programs, is \$364,000 while the federal government is only giving the district a grant of about \$294,000.

"The deficit is covered by carry-over funds from Title I

not used in the previous year. It is obvious, however, that we cannot continue to operate a program which exceeds our grant by this kind of an amount for an extended period of time," Rea explained.

"There will not, in fact, be sufficient carry-over money available to completely fund next year's program without some deduction," he added.

He said he met with the principals of the seven schools having Title I programs and with Mrs. Ruth Lahr, director of the pre-school center to discuss possible areas where next year's budget can be cut approximately \$70,000.

Recommendations, which now are to be discussed with the Title I Parent Advisory Council, include the elimination of Title I summer school classes, phasing out one nurse in the visual motor training program (which was previously approved by the

board in June), and the elimination of one pre-school class with the dismissal of a teacher, a teacher-aide and the associated supplies.

The elimination of one class would increase the other pre-school classes to about 20 students, which is higher than the 15 maximum goal in previous years, but will not decrease the program offered to the pre-school students, Rea contended.

He also predicted the \$65,000 to \$70,000 saved through the recommended cuts would provide carry-over funds "which would be available and should be adequate to insure full-funding of the remaining program for at least a five-year period without further program revisions."

The board gave its approval to Rea's recommendations and he was given the authority to initiate the program after consulting with the advisory council.

Nurse aides graduate at Venice Tech

Graduation of 12 nurse aide students from Venice Lincoln Technical Center under the direction of K. D. Rankin was held last week in the Venice Community Center.

The 12-week nurse aide program is a joint effort of the Venice Technical Center and St. Elizabeth's Hospital, with the students receiving their clinical training at the hospital.

Speakers at the graduation were Peter Ponce, instructor at Venice Technical, Robert N. Vickers, superintendent of Venice School District 3, and Joe Brewer, of the Office of the Superintendent of Educational Service Region of Madison County. Invocation and benediction were offered by the Rev. J. Albert Calloway, pastor of the Tri-City Tabernacle in Granite City.

White Gideon Bibles, were presented to each graduate. A vocal selection was sung by Miss Janice Williams, a member of the graduating class.

Graduates included Catherine Brunch, Ruthie Cotton, Mary Hamiel, Jenez Howell, Diane Kutey, Velva Oakley, Thomas Oser, Kathleen Pope, Edna Weinhild, Gloria Williams, Janice Williams and Anna Wooten.

Labor endorses some township candidates

The Tri-City Trades and Labor Council issued its endorsements of candidates for public office in Nameoki and Chouteau townships during a meeting in the Labor Temple last week, but some candidates, including several incumbents, are objecting to the endorsements, saying they were not given opportunities to be interviewed.

The council's Legislative Screening Committee announced that it would interview candidates for Granite City Township, municipal, school and park offices Feb. 19 and 26. No invitations were extended to township officials to be interviewed, some officials say.

Despite the wording of the newspaper, a slate of candidates from Nameoki Township and three candidates from Chouteau Township did appear for interviews and all received the recommendation of the Legislative Screening Committee and last night received the endorsement of the council.

Rules of the screening committee stated that candidates had to appear for an interview in order to qualify for possible endorsement.

"We were told only Granite City Township and council, school and park board candidates were to be interviewed and then we found out our opponents were welcomed and

endorsed. That does not seem fair," one Chouteau Township official told the Press-Record after learning of the endorsements.

Receiving the council's endorsement during last night's meeting were the following Nameoki Township candidates: Louis Whitsell, seeking re-election as supervisor; Louis "Cookie" Zeffo, town clerk candidate; Frank Mehele, candidate for highway commissioner; Freida Ballew, seeking election as tax collector, and Loren L. Madison, who is running for the tax assessor's position.

Nameoki Township trustee candidates endorsed were incumbent Kenneth G. Gieson, and Andy Besserman, and Helen Hawkins.

Chouteau Township candidates who appeared for interviews and were endorsed were Morris W. Miles for supervisor; James L. Bates, seeking re-election as highway commissioner, and John Dial, trustee candidate.

Edwin Reiske, president of the trades council, said that he "regrets very much any misunderstanding that may have kept some candidates from appearing for screening."

Reiske said the intent of the screening committee was to conduct interviews with candidates for any office in the Quad-City area, not just those in Granite City.

Further study of education service areas

State Superintendent Joseph M. Cronin has announced an extension in the planning period for proposed restructuring of the state educational service region system.

In a letter to the educational community, Dr. Cronin noted that a recent series of regional service meetings provided information and reaction which will be helpful in developing a plan. "We are allowing more time in order to discuss the suggestions received," he said. Madison County has a single regional education coordinating structure, and some regions in Illinois serve multi-county areas. A sharp reduction in the number of regions was proposed last month.

Supt. Cronin now has told educators, "Many of you have responded — either by letter or at regional services information meetings — to our request for reactions to Dr. E. Robert Stephens' proposal for a restructured educational service region system in Illinois."

"We appreciate your participation and, in response to the concerns about planning timelines expressed in the meetings, we have decided to extend the planning period. Details will be sent to you within the next few weeks."

"The responses we received at the regional meetings, the recommendations of the Regional Services Planning Committee, and my own review of Dr. Stephens' report suggest that it can serve as a valuable point of departure for detailed regional services planning by the citizens of Illinois."

"As we work out the next steps in this process, I would urge you to continue to work with us your individual comments and concerns. This is as important issue and we are committed to responsive planning based on your suggestions."

**Venice 'Sports Banquet'
March 31; public invited**

The resignation of Mrs.
Josephine Davis, an English
teacher at Venice High School
for 34 years, was accepted by the
Venice Board of Education at
its meeting last week.

Mrs. Davis suffered a stroke
two years ago and has been on
an extended leave of absence.
Although she is making
progress in her recovery, Mrs.
Davis believes she will be
unable to return to teaching
duties in the near future, the
faculty member informed the
board by letter.

In other business, the board
approved the Venice Little
League holding a basketball
game in the gymnasium on
March 19 and accepted a \$1 bid
from the Venice Boosters Club
to purchase the "old"
scoreboard in the gym.

A new scoreboard has been
donated the school by the First
National Bank in Madison and
the Boosters Club.

Approval also was given a
resolution authorizing the
issuance of \$80,000 in building
fund tax anticipation warrants.
Bids for electrical work in the
Venice Grade School were
received for recommendation.

The annual "Sports
Banquet" for girls and boy
athletes at Venice was
scheduled for Thursday,
March 31, at Collinsville
Holiday Inn.

The public is invited to
attend and tickets shortly will
be available, Jack Tolliver,
board president, advised.

Following a recommendation
by Supt. of Schools Robert N.
Vickers, it was agreed to pay
faculty members every two
weeks on a 12-month basis.

A proposal for termite control
measures at the high school
building was heard. Termites
have been detected in the
science lab and other areas of
the building are suspect.

Supt. Vickers was asked to
see if the project is reim-
bursable under the Life-Safety
Code, prior to issuing a call for
bids.

Letters of honorable
dismissal are to be prepared by
School Board Attorney
Lawrence Hartman for faculty
members at Venice-Lincoln
Technical Center and other
teachers with less than nine
years seniority in the district.

Letters also will be sent ex-
tending the probationary period
for non-tenure teachers (less
than two years).

The letters are sent each year
as a matter of standard board
policy.

BOYS' BASEBALL TEAM
IS SEEKING A COACH
The Venice boys' team is seeking
someone to serve as coach of
the squad for participation this
spring in the Granite City Park
District's Juvenile Division
baseball program.

A park district spokesman
said the team, the Kiwanis
Club, is composed of players
aged 15 and the squad has all
necessary playing equipment
and uniforms. Interested
persons are to contact the park
office at 451-7553 as soon as
possible.

Prices set for girls'
regional tourney here

Gilbert Walsley, Granite
City High School North prin-
cipal, has announced that
general admission will be \$1.50
for adults and \$1 for students
with an identification card on
each of the three evenings of the
initial state girls' basketball
regional tournament.

All students not in high school
must be accompanied by an
adult and must purchase a
ticket.

There will be no advance
ticket sale and no reserved
seating. Tickets will go on sale
at the Memorial Gym door one
hour prior to the start of the
first scheduled game.

On the first night, Monday,
March 14, East St. Louis plays
the winner of the Roxana sub-
regional (Lincoln of East St.
Louis, Roxana or Assumption of
East St. Louis) at 7, followed by
North vs. Cahokia.

On the second night, March
15, the winner of Game 1 (East
St. Louis or the Roxana sub-
regional winner) will play
Edwardsville at 7, followed by
Thursday after striking his
head in an auto accident. X-rays
were taken and he was
released.

MAN STRIKES HEAD
Donald Smith, 29, of 2905
Center St., was treated at St.
Elizabeth Hospital at 2:10 p.m.
Thursday after striking his
head in an auto accident. X-rays
were taken and he was
released.

Location of the tournament
will be the Granite City
Memorial Gymnasium.

Incumbent and two others are running in 2nd Ward

FRANK GREENWALD

Frank Greenwald, 55, of 2727 Grand Ave., is the incumbent candidate running for reelection as a Granite City alderman from the Second Ward.

He says, "I have been a resident of Granite City for 54 years and am a graduate of the Granite City school system. I am a member of Sacred Heart Catholic Church and am presently employed with the United States Postal Service as a mail carrier in Granite City, a job which I have held for the past 30 years."

"I am also a veteran of World War II and a member of the National Association of Letter Carriers union, Local 1132."

Greenwald continues, "I am married and my wife, Marge, and I have three sons, Jim, Mark and Frank."

"During the past six years while I served as alderman of the 2nd Ward, I consistently and honestly represented the citizens and made every effort toward betterment of our community."

"I believe in and support public service and trust I pledge that I will vigorously work for the continued improvement and resurfacing of our streets, sidewalk and curb maintenance, and an overall program for the improvement of our city."

Take orders in annual tree sale

The seventh annual tree sale sponsored by the Women's Division of the Tri-Cities Area Chamber of Commerce, will feature Dorothea flowering crabapple trees this year at a cost of \$4.50 each.

Orders are now being taken at the Chamber of Commerce office at 876-4400. Delivery is expected during the week of March 25, it was announced.

The densely-branched tree has a double clear pink blossom and the fruit is one-half inch in diameter. Each tree is about four to five-feet in height and will grow to 25 feet. It may be planted in yards, patios or as a street tree.

Area residents are to make appointments with the Chamber to pick up the trees at Granite City Sheet Metal Works, 2500 Missouri Ave., Mrs. Jo Meyer, chairman of the annual project, announced.

Mrs. Meyer added the sale is not for profit but is continued each spring to beautify the Quad-Cities.

Veteran bonuses

Persons who served in the Vietnam war while they were residents of Rhode Island may qualify for bonuses from \$200 to \$300. The bonuses are the result of the passage of a \$10 million referendum in Rhode Island.

Anyone thinking he might qualify for the bonus is urged to contact F. L. Cunniff, service officer for the Department of Veterans Affairs, 215 Plaza, Adams, Zip Code 62002.

RANDALL R. HILL

One of three City Council Ward Two candidates in Granite City is Randall R. Hill, 35, of 2447 Edison Ave. He has been married since 1970 to the former Wanda Harris.

Hill graduated in 1969 from Granite City High School and then graduated in 1972 from Southern Illinois University at Edwardsville, receiving a bachelor of science degree in education.

A teacher in O'Fallon, he is soccer coach at O'Fallon Junior High and director and founder of The St. Clair Soccer Conference.

A member of the Tri-City Park Tabernacle, Hill served as internal vice-president of the Granite City Jaycees in 1974-75 and a director of the Jaycees in 1975-76. He currently is the Jaycee education vice-president.

His community service has included immunization clinics, Thanksgiving baskets, Christmas shopping for underprivileged children, the Miss Granite City contest, the Save Our Sight project and Granite City homecoming activities.

Hill comments, "I intend to reach every home in my ward at least once a year. This can easily be accomplished by visiting with residents of one block each week."

"I feel this is the best possible way to discover the needs and complaints of the people of the Second Ward."

"In addition to this, I also plan to initiate an Alderman's Corner in a local newspaper to answer any question which may arise. This, combined with ward meetings and a ward committee, will greatly improve the communication between city government and the residents."

"I believe an alderman should serve the residents of his ward. To improve this service, I plan to initiate the following programs:

"Aid to the elderly with an adopt-a-grandparent program, which involves younger couples helping elderly persons in time of emergency."

"A quarterly newsletter to keep residents informed as to the business at city hall."

"And a plan to halt the deterioration of the downtown area."

"These are all programs which the people of the ward need and deserve. If I'm elected, they will have them."

Board of Appeals Wednesday

Only one request is on the agenda for the regular meeting of the Granite City Board of Appeals Wednesday at 1:15 p.m. in the city offices at 2301 Adams St.

The board will consider the request of Thomas J. Wyde, 2333 Cardinal Ave., to construct a garage one foot from the side property line at his home.

Thursday's regular meeting of the Granite City Plan Commission has been cancelled, since there are no requests on the agenda. The next meeting will be held in April.

FRED P. SCHUMAN JR.

Fred P. Schuman Jr. seeks election as a Second Ward Alderman in Granite City on April 5.

He comments, "My wife, myself and two daughters have been lifelong residents of Granite City."

"I have a bachelor of science degree with a major in history and a minor in psychology, a master of science in secondary education with a history major, and a specialist degree in administration."

"Currently, I am assistant principal at Grigsby Junior High School." His address is 2609 Edison Ave.

"To me, the function of city government is to provide public services to you and me which we cannot afford nor purchase as individual products. It is designed to benefit and protect the people as a whole and not to benefit the few."

"To further these functions, an alderman's responsibility is to keep in touch with his people and keep them informed of the actions of city government, particularly on key issues."

"Therefore, if elected, I will send a newsletter to people of Ward Two informing them of the progress or lack of it on key issues, such as crime, pollution, appointments, land use planning and major financial expenditures of the city."

"A questionnaire will also accompany the newsletter asking for opinions on issues before the council and input for ideas on ways to improve our city."

"To be honest, informative, actively involved, and independent for human concerns are clichés, but can be meaningful by leaders who care and are politically supported by people who care."

"Our people, particularly the young, must see responsible, qualified and sensible people running their government—or apathy and skepticism will continue to grow."

"Values are learned by example. A well-run, regularity and respected city government would be a step in the right direction to check violence and immorality."

"To support the best qualified for the various city departments and committees—and to publicly oppose those who are not—is essential," Schuman says.

"To protect the independence of my newsletter pledge, I have not and will not accept any political contributions."

"Every penny of my campaign is from my own pocket. My sole responsibility and political base will be Ward Two people."

"I've talked to most in Ward Two on a one-to-one basis and have tried to convince them of my sincerity to actively attack our problems and to seek alternatives for solutions, rather than be a passive participant directed by others."

"With this thought, I hope voters will make a special effort on April 5 to get up a little earlier for time to cast a vote for concerned leadership," Schuman concludes.

Before becoming Grigsby assistant principal in the fall of 1975, he was a GCHS South sociology and history teacher.

GC Scholarship Foundation sets March date to apply

The Granite City Scholarship Foundation will continue to offer scholarship grants, amounting to \$600 per year, to eligible graduates of both Granite City High School North and South.

At a meeting of foundation members last week in the principal's office at Granite City High School South, current scholarships and funding were reviewed.

Bill Bright of American Steel Foundries, Scholarship Foundation president, said funds to support the foundation's commitments are contributed by local business firms and professional organizations within the community to enable any student the opportunity to obtain a college education.

At the present time, foundation representatives are soliciting funds for the 1977 scholarship grants.

Individuals or businesses wishing to contribute to the fund are invited to contact Robert Spengler, at 877-3243.

Forms to apply for a scholarship will be available at both North and South High Schools on Monday, March 28.

The completed application must be returned, postmarked no later than Saturday, April 30, to: Norman Garrett, Industrial Relations Department, Granite City Steel, 20th and Home Streets, Granite City, Ill. 62040.

Representatives attending the meeting included: James Hummelright (Nestle Co.); Frances Lynch (Granite City Business and Professional

Women's Club); Norma Garrett (Granite City Steel Labor-Management Torch Club); Robert Robles (Mexican Honorary Commission); Omar Ronk (Prairie Farms); Robert Spengler (Twilight Optimist Club); Frank Pugh (Granite City Steel); and Helen Velloff (American Association of University Women).

CAR LOOTED
Raymond Schubert, 1836 Spring Ave., told authorities Thursday that a wire was used to unlock an auto parked at his home and several items were taken, including an eight-track player valued at \$90, five tapes valued at \$30 and a man's brown wallet containing \$190 cash and personal papers.

Charter issued

A foreign corporation charter has been issued to the Regency Leasing and Sales Inc., 1334 18th St., by the state of Illinois. It was announced by Secretary of State Alan J. Dixon.

Listed as charterer and president is C.A. Dempsey, 3119 Princeton Ave. Secretary for the corporation is Donald G. Adams, 4066 Vesce Ave.

The corporation is "to engage in leasing, renting, selling or otherwise dealing by contract with motor vehicles of all types."

Seek drivers for Red Cross 'wagon

The Tri-City American Red Cross Chapter is seeking volunteers to drive the chapter's new station-wagon on various missions involving cancer patients, nursing home residents and others in need of transportation.

The official Red Cross vehicle, the first owned by the Tri-City chapter, is being purchased with funds provided by the Tri-City Area United Way. Mrs. Mildred Meehan, chapter executive secretary, advised.

Air-conditioned and equipped with full power and an extra seat, the four-door Chevrolet Impala wagon is expected to be delivered here late this month.

"We are compiling a registry of volunteers now so assignments can be made in advance of the station-wagon's delivery and we will be ready to go as soon as it arrives," Mrs. Meehan said.

She said a vehicle has been "desperately needed" by the chapter for some years.

Mrs. Meehan has used her personal auto to transport cancer patients needing treatment at area hospitals and those requiring use of a kidney machine at frequent intervals, among other emergencies.

Insurance for the new vehicle, its driver and passengers is underwritten by the National Red Cross. "This has proved a problem before, asking

Rites held for Mrs. Mary Dudas

Funeral services were conducted at 10 a.m. Saturday at the Lutheran Church of the Good Shepherd, North Fort Meyers, Fla., for Mrs. Mary Dudas, 69, of 5118 Atlantic Court, Cape Coral, Fla., formerly of Granite City.

Mrs. Dudas died at her home at 12:15 p.m. on Wednesday, March 2.

She was born in Granite City and resided in Florida six years.

Survivors include her husband, John Dudas; and one daughter, Miss Ruth Ann Dudas, of Cape Coral.

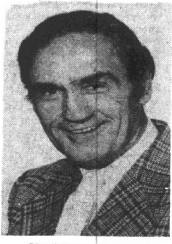

Burial was in Cape Coral Cemetery.

Supervisor Pashoff opposed by Kostoff

CHRIST N. PASHOFF

Christ N. Pashoff, 1230 Madison Ave., Madison, is running for re-election as supervisor of Venice Township. Pashoff and his wife, Mary, have resided in Madison 50 years and plan to continue living there, he relates.

Supervisor Pashoff says that he and the Board of Trustees have accomplished many new projects in Venice Township in the last four years. His comments follow:

- "Gave free eyeglasses to our Venice Township citizens—over 2,000 at no cost to our people—and over 30 hearing aids for hard-of-hearing citizens."
- "Purchased township building for \$24,000 to consolidate the offices of the supervisor, assessor and tax collector, at a savings of \$6,000 per year in rent. Now, after four years, our building is paid for."
- "Provided sanitation, recreation and street equipment for the Cities of Madison and Venice. Provided audiovisual equipment, projector, screen and outside book return for the library. Will provide park with five tennis courts to

be ready by spring. Completed lighting, fences and bleachers for baseball diamonds, and two basketball courts.

- "Street lighting for the unincorporated areas of the Benjamin Addition and Eagle Park Acres. Also provided fire plugs and fire protection."
- "Provided many bus trips for senior citizens and school children of our area, and park recreation teams. Also provided suits, bats and baseball equipment."

JIMMY KOSTOFF

Pashoff adds, "I am a member of the Holy Trinity Orthodox Church, Madison-Venice Rotary Club, Chamber of Commerce, Ambassador (membership) Committee and Crime Prevention Committee."

"Member of the Elks Club, Lions Club, Eagles and board member of the Salvation Army, member of Crippled Children's group, member of Illinois Township Officials, member of Madison City Organization and Variety International Club for Forgotten Children."

"I have worked in the United Fund every year, the March of Dimes, YMCA and Boy Scouts, and also was the chairman of the Muscular Dystrophy campaign."

Prior to being elected supervisor, Pashoff was in management for 33 years at the Washington, Rialto and City Theater in Granite City and Lindell Theater in St. Louis.

He concludes, "My wife, Mary, and I have two daughters, Mrs. John (DeWanna) Spudich, Granite City, and Mrs. William (Christine) Saigh, Ladue, Mo."

"I am the only full-time supervisor in Madison County with no other outside business interest."

"Helping Venice Township citizens to enjoy better living is my prime objective."

Local funds help fight arthritis

The Arthritis Foundation Eastern Missouri Chapter has received its initial allotments from the Tri-Cities Area United Way, Bernard A. Ross, president of the area chapter of the national voluntary health association, reports.

Expressing gratitude for the support, Ross said the funds are "vitaly needed in a positive attack on the nation's number one crippling disease. We are striving to provide a complete program of education, patient services and research," he said, "and yet many miss the finest professional training and patient care facilities in the nation because quackery still exists."

Arthritis Foundation figures show as much as \$7 million is wasted on phony devices and worthless cures sold by charlatans who prey on arthritic victims and their families in the eastern Missouri and southwestern Illinois region, he said.

Tri-Cities Area United Way funds help support arthritis research in six clinics at St. Louis University, Washington University, the University of Missouri and Kirksville College of Osteopathic Medicine. "That research is the real hope for the 7,300 arthritic people in the Tri-Cities," Ross commented.

He urged residents to be on the alert for money-wasting treatments for arthritis. "Fight the quacks! get the facts!" The Arthritis Foundation Eastern Missouri Chapter address is Box 1144, St. Louis, Mo. 63188.

Would require insurance to get car plates

Rep. Jim Reilly (R-Knoxville) and Rep. Everett Steele (R-Glen Carbon) are co-sponsoring a bill to require all motorists to obtain liability insurance coverage before obtaining or renewing their car license.

"This legislation," Rep. Reilly stated, "is intended to protect the motorist who is an innocent victim of a car accident, where the driver at fault has no insurance or ability to pay for damage or injury inflicted."

"Similar legislation passed last session," Rep. Steele stated, "but was vetoed by former Gov. Walker. The vetoing and hardships involved in an accident are often severe," Steele continued.

"The innocent victim of an auto accident must be protected from the additional financial hardships of an accident, for which he is not responsible. This bill seeks to provide this protection," he concluded.

Mrs. McAmish dies at 88

Mrs. Dessie G. McAmish, 88, of 1508 Joy Ave., ill for eight months, was taken from her home by ambulance to St. Elizabeth Hospital where she was pronounced dead upon arrival at 3 p.m. Thursday.

She was born in Knox County, Tenn., and resided in Granite City 51 years.

Mrs. McAmish was of the Baptist faith.

Her husband, William A. McAmish, died in June 1946, and a son, Leonard McAmish, preceded her in death.

Survivors include two sons, Charles McAmish of Reno, Nev., and William McAmish of Granite City; three daughters, Mrs. Silva Rada, Midlothian, Ill.; Mrs. Marie Scott Lafayette, Ind.; and Miss Gladys McAmish of Granite City; a sister, Mrs. Beulah Craig, Miami, Fla.; 12 grandchildren, 17 great-grandchildren and one great-grandchild.

Funeral arrangements are given in the obituary column.

Air Board to meet tonight

A summary report on expenditures and a discussion of personnel matters is in an executive session are scheduled on the agenda of the Granite City Air Pollution Control Board which will meet today at 7:30 p.m.

The meeting will be held in the board offices at 2301 Adams St. and also is to include a review of the board's application for federal funds which are used to finance enforcement of air pollution control regulations in Granite City.

You learn something new every day. As you know we try to talk to all of our customers to find out "how we're doing." We talked to one couple recently who revealed that they had been shopping at Schermers for nine years and that they lived in Lebanon, Ill., until recently when they moved to Washington Park.
We asked them to write us a letter that we could use in our ad and they brought one in last week. Somehow we misplaced it but among the things they said was, "Schermers is a working man's store." We think we know just what they mean. It sums up a lot of things that we have tried to do over the years. When we find the misplaced letter we're going to print the whole thing — but for now — we invite you to come to Schermers . . . "The Working Man's Store."

Mayor candidates to debate Friday

A debate of issues involved in the approaching Granite City municipal election between Mayor Paul Schuler and Daniel Partney, candidates for the office, will be held Friday at 7:30 p.m. in the cafeteria at Granite City High School South.

Mayor Schuler said today that arrangements for the debate have been completed, but that no decisions have been made at this time concerning any further debate sessions. He said

future arrangements will be considered after the Friday night discussion.

He said that only one moderator, Carl Mathias, service area manager of Illinois Power Co., has agreed to serve at the debate Friday, because of other commitments by others who had been asked to serve.

The two majority candidates will answer questions verbally from the floor, rather than questions submitted in writing, the mayor said.

News notes

More than 100 Quad-Cityans are becoming eligible for Social Security benefits due to Wednesday's U.S. Supreme Court ruling that men can qualify as a result of their wives' work careers. Previously, they would have had to show they were dependent on their wives; but women who had never qualified for Social Security could receive 50 per cent benefits if their husbands retired or nearly 100 per cent if they died. The court said this is discriminatory.

Gov. James R. Thompson pledged last week to cooperate with legislators, substituting "dialogue" for the "diatribes" of past years. He invited phone calls to him, and accused the former Walker administration of "spending, fiscal quackery, contempt for others and political tactics rather than problem-solving."

Effective today, the Southwestern Illinois Metropolitan and Regional Planning Commission office at 203 Main St., Collinsville, will return to its normal five-day, 40-hour workweek—8 a.m. to 5 p.m. The Planning Commission's executive committee authorized a four-day workweek as an energy conservation measure during the severe winter month of February.

The jazz lab ensemble at SIUE will present a concert Wednesday, at 8:15 p.m. in the Communications Building theater. Peter Basola will be the director.

The Continuing Education Program of the SIUE School of Nursing will offer the fourth in a series of health care assessment workshops for nurses Thursday from 5:30 until 8:30 p.m. in the nursing conference room (Room 2305) in Classroom Building III. Nurses who participate in the workshop will become more aware of potential role problems that new skills in the nursing field

Report city ambulance grant ok'd

A request by Granite City for a \$50,000 grant with which to purchase four ambulances has been approved by the Illinois Department of Transportation, according to State Rep. Jim McPike (D-Alton) who said he was informed of the approval at Springfield Friday.

Official word of the approval had not been received by city officials today. The city is prepared to purchase the ambulance units as soon as the official word of the grant approval is received.

The grant request was approved by the Illinois Department of Public Health last week, but it still was subject to approval by the DOT.

Mrs. Mary Hoy, 85, succumbs

Mrs. Mary H. (Taylor) Hoy, 85, of 2140 Benton St., a native of England, died at 7:10 a.m. Sunday at St. Elizabeth Hospital.

Mrs. Hoy had been ill four months and was a hospital patient for three days.

She was born and reared in Seaham Harbour, England, and

resided in Granite City 53 years. Her husband, Charles N. Hoy Sr., died Feb. 22, 1973.

Mrs. Hoy was a member of Niederrhingen United Methodist Church.

Couples mark anniversaries.

Dr. and Mrs. Harry Epstein, 2862 Iowa St., celebrated their 56th wedding anniversary during the weekend with their son-in-law and daughter, Mr. and Mrs. David Arst of Creve Coeur, Mo., who observed their 25th anniversary.

A family dinner was served in the Arst home for both couples who have marked their anniversaries together for the past 25 years.

They were married on the first Sunday in March by the late Rabbi Samuel Thurman of St. Louis.

To further celebrate their anniversary, Mr. and Mrs. Arst will tour Israel in the spring.

Ron Lutes addresses Hairdressers group

Ron Lutes of Springfield, Ill., a state board member of the Hairdressers Association, addressed the Elite Hairdressers Affiliate at its monthly meeting held last week at the Round Table Restaurant, Collinsville.

He held an officers' training program for board members of the local group in the afternoon and attended the evening session to inform members of pending legislation and by-law changes.

After the business discussions a program was presented by representatives of beauty supply houses on the new Sensor-Computer permanent wave.

There were 30 members present from the Granite City and Collinsville area.

Mrs. Thompson is circle hostess.

Mrs. Marlene Lybarger gave a lesson entitled, "The Shepherd Looks at Psalm 23" for members of the Morning Circle of Names United Presbyterian Church, Thursday morning.

Mrs. Louise Thompson entertained the group in her home and also gave the missionary names for the day.

The opening prayer and devotions were offered by Mrs. Irma Taylor.

The Nameless United Presbyterian Women's Association will meet at 7:30 tonight at the church and the Morning Circle will visit with the Happy Bunch of Madison Baptist Church on Tuesday, it was announced.

Charge 3 with theft

Three Missouri residents were charged with theft after stolen items allegedly were found in their auto in the parking lot near the Leader Store, 3705 Nameless Road, at 3:30 p.m. Saturday.

Charged were Harvey Jones Jr., 45, St. Louis, Christine A. Kroeger, 24, Spanish Lake, and Edward C. Baker, 25, Kirkwood.

Police alleged finding a blouse, a pair of blue denim pants and two jump suits in their car which had a total value of about \$100. One item had a Leader Store tag on it and an official of that store identified all of the items found.

The official first called police and said a man had been going in and out of the store and acting in a suspicious manner for more than three hours.

They described a car he was seen getting into and police located a car matching that description in the parking lot. Jones and Christine Kroeger were questioned in the car and Baker was said to have approached the car and the red with the others, and asked why police were questioning them.

The stolen items allegedly were found on the floorboard of the car and all three were arrested.

Edwardsville Road accident

A mother and two children were injured when the car in which they were passengers backed from a driveway at 1330 Edwardsville Road and was struck by the northbound car of William Weber, 101 Wilson Park Lane at 9 p.m. Wednesday.

Jackie Chapman, 1330 Edwardsville Road, said that vision was blocked by a parked car and Weber's approaching car could not be seen when backing from the driveway. Injured and taken by ambulance to St. Elizabeth Hospital were Mrs. Jerildine Chapman, 32, David Chapman, 5, and Mark Chapman, 3, all of 54 Lockhaven Drive. All were released after emergency room treatment.

Mrs. Chapman bumped her head and had x-rays taken. Mark suffered bruises to his forehead and upper lip and also underwent a series of x-rays. David suffered minor injuries and was examined before being released.

School Board calls bids on new heating line at GCHS South

The Granite City Board of Education has voted to seek bids for a new steam heating line between Granite City High School South and Coolidge Junior High School.

An underground four-inch steam line connecting the schools broke during the summer and temporary repairs were made. A six-inch line between the schools has not caused problems yet, Tully A. Heubner, director of business affairs, told the board.

The cost will be between \$35,000 and \$50,000, Heubner told the board. Two sets of specifications are to be bid, after which the board will determine which set to select.

One set of specifications calls for an underground steam line starting between the cafeteria and gymnasium of South and going underground to the Coolidge Building, then up the exterior wall, across the roof and then on braces between the first and second floors into the mechanical room.

The second set calls for underground lines in the same area as the present lines, which would necessitate replacing both the six-inch and four-inch lines.

The second proposal is considered superior since it would not require unsightly wrapped pipes on the exterior of the building which would be susceptible to vandalism, but would be more expensive than the first proposal.

The board also considered an overhead steam line mounted about 12 feet above the ground, but rejected that plan as too

subject to vandalism and heat loss.

In other business, the board voted to purchase audio-visual equipment needed to replace stolen equipment at various schools.

A photograph is to be purchased from Fox-Stanley Photo for \$67 for Stallings School; a cassette tape recorder for GCHS North is to be purchased from National Learning Systems for \$133; a camera lens is to be purchased from Fox-Stanley for \$48 to replace one stolen at GCHS South, and two 16 millimeter film projectors are to be purchased from Fox Photo for \$622 each to replace units stolen at Stallings and Mitchell schools.

All the replacement purchases were approved on the basis of the lowest bid to the specifications.

Bills ordered paid totaled \$6,447 from the educational fund, \$7,380 from the transportation fund, \$67,689 from the bond and interest fund, \$16,417 from the building fund, \$1,395 from federal funds and \$441 from the joint agreement fund.

Registration at St. Mary-St. Mark

Registration of new pupils for the 1977-78 school year at St. Mary-St. Mark are being taken by appointment, which can be made by calling 451-9608 or 877-1020, according to Sister Bernadette, school principal.

Appointments should be made soon as no registrations will be taken after April 30.

Truth Circle officers named

Devotions entitled "A Heritage of Faith" was given by Mrs. Shirley Lane, leader of the Truth Circle of the Niedringhaus United Methodist Women, at a meeting held in the home of Mrs. Gladys Wallace, 3531 Clark Ave.

Mrs. Wanda Groothuis, co-leader, presented the lesson on "The Challenge of Mission-Go Loves Us-Do I Believe That?" followed by a discussion on a questionnaire on faith.

Mrs. Lane presided at the business meeting, and appointed Mrs. Betty Williams, treasurer; Mrs. Wallace, membership chairman; Mrs. Dolores Vogeler, representative to the bazaar and Mrs. Lane will be publicity chairman. Envelopes were collected by Mrs. Williams for the call to prayer and self denial offering. She added one half of the of-

fering is used for missions in the United States and the remainder is for ministries around the world. "The call to prayer and self denial is an annual event to provide an opportunity for every Methodist woman to be involved in the mission of the church in special ways."

The president requested members bring an article of infant clothing to the general meeting on Tuesday, which will be donated to the Church Women United layette project.

The next meeting will be held at Mrs. Williams in her home, 125 Riviera Drive. A dessert luncheon was served to those named and to Mesdames Phyllis Bills, Ruby Corbitt, Pauline Cox, Dorothy Frohardt, Pauline Gushoff, Maxine Hacke, Alice Hunsinger, Grace Padlock, Ruth Purkey, Lucy Weaver and a guest Mrs. Alice Baugh.

Tamburitzans' parents group plans events

The Happy Strings Junior Tamburitzans Parents' group held its monthly meeting at the Croatian Home in Madison last week to discuss a new performing schedule.

Among the events are a trip to Gary, Ind., for the Spring Concert in May of the Gary Junior Tamburitzans; performance in Buckner, Ill., the weekend of July 30; and a playing engagement on July 31 which is still indefinite.

The parents also discussed the fourth annual Spring Concert to be held Sunday, March 20, at the Granite City High School South auditorium, beginning at 3 p.m.

General Chairman George Petruchic said program arrangements are according to schedule. Following the concert, a social will be held at the Croatian Home where sausage and beef plates will be served. There will be dancing to the music of Vince's Internationals. Refreshments will be available. The Parents' group also discussed tentative plans for a dance to be held in the fall, and for a spring luncheon.

ANNOUNCING!!

Granite City Opticians has added an Economy Line of FRAMES. With this addition we now have frames that should fit everyone's budget. We have never had a true economy line before, primarily because we weren't able to find any to meet our rigid standards. These frames not only are inexpensive but are truly a bargain. Now those people who wish to choose an optician only on the basis of price are now able to consider Granite City Opticians also. Remember the same care and expertise will be used in fitting and adjusting our economy line as in our other fine frame lines. Granite City Opticians also would like to take this opportunity to thank our customers for their past and hopefully continued patronage. We will strive to continue to do our best for you because you deserve the best.

Services opened at 7:30 Sunday evening and will continue each evening at 7:30 through Sunday, March 30, Rev. George added.

Patchworkers to attend events

The Patchworkers 4-H Club held a regular business meeting on Thursday evening at the St. Elizabeth's Church Hall at 7 o'clock.

The 4-H pledge was read by Jennie Little, the pledge of allegiance by Mickey Loftus. Seventeen members responded to the roll call, taken by vice-president Sue Burnett, with the name of their favorite subject at school. Guests included Frances Hartman, Joyce Jachino, Mr. and Mrs. Mickey Loftus, Ann and Rose Krystopa and the Leader, Martha McVoy.

There were two programs at the Home Extension Office in Edwardsville which the club participated in last month. Wendy McVoy gave a report on the one entitled "Law and the Snor" and Lynda Loftus explained the many interesting things she learned at the "Baby Sitting Workshop".

The Patchworkers planned several events for the coming months. Chairmen were appointed to plan a Mother-Daughter pot luck banquet to be held on May 5. They are Ann and Jean Fuller, Karen Toussaint, Linda Grebel, Joan Krystopa and Carol Busch.

Tentative plans were made for a trip to Six Flags and Shaw's Garden. Chairman for local achievement night on June 23 are Mary Loftus and Winona Cox.

The club plans to attend the following events this month at the Home Extension office, a demonstration workshop on March 17, and an indoor gardening program on March 31. They will leave from the McVoy home at 6:45 p.m. each of the evenings.

Members were urged by Mrs. McVoy to complete the requirements on their various projects, their review and possibly revise their membership cards.

Rotary Anns tour hospital

Granite City Rotary Anns attended a luncheon at the Louis restaurant last week followed by a tour of the Shriner's Hospital for Crippled Children.

Tour guides were Mike Macek, Lawrence Lockhart and Vernon Jutting, president of the hospital unit of the Aired Temple. Planning the event were Rebecca Jones, Clara Huber, Jo Ann Kraus, Jessie Meng, Millie Meek, Dorothy Moore and Jackie Reingel. There were 19 members present.

Mrs. Beverly Partney and Mrs. Gail Miller were among the February hostesses it was noted.

Mrs. Calvin Bartels will be chairman of the April 5 meeting to be held at Charlie's Restaurant.

Barracks 34 plan regional meeting

Veterans of World War I of USA, Madison Barracks 34, and Auxiliary met at the VFW Hall for a 12 noon pot luck luncheon followed by separate business meetings.

Presiding at the sessions were Commander John Winkelmier and President Elsie Staggs.

Mrs. Staggs announced the 6th regional meeting will be held in Oak Lawn, Ill., on April 1, 2 and 3, consisting of regions in Illinois, Indiana, Ohio, Michigan, Kentucky and Tennessee.

Guests attending the local meeting were 4th District Commander M. Campbell of Alton; District President Violet Schmidt and her husband from Edwardsville and Mr. and Mrs. C. McReynolds of Wood River. The next meeting will be held on April 5 for an election of officers.

Demonstrations were given by Amy Hartman on "House Plants"; Christy Kessler on "Making a Meat Loaf"; Lynda Loftus on "Child Care - Making Toys"; and Michelle Loftus on "Serving Leather".

Refreshments were served by Winona Cox, Amy Hartman, Janet Jachino, Christy Kessler and Wendy McVoy.

Other members present were Karen Fuller, Debbie Burnett and Amy Patterson.

Instead of games the membership practiced their Share-the-Fun Skit to be presented on March 26 in Alhambra.

The next meeting will be April 7 at 7 p.m. at St. Elizabeth's Church Hall.

Plan reunion of 1957 class

Plans are being made for a 20-year reunion for the class of June 1957 of Granite City High School. The event will be held at the Sunset Hills Country Club on July 15.

Several of the former classmates have not been located and the reunion committee is asking anyone knowing their whereabouts to call either Mrs. Faye (Bridges) Hester at 831-2415 or Mrs. Nancy (Barton) Multz at 895-1722.

Gail Penrod becomes bride of Dennis Orne

The wedding of Miss Gail Penrod, a daughter of Mr. and Mrs. Albert Penrod, 2338 East 24th St., and Dennis Orne, a son of Mr. and Mrs. Howard Orne, 2624 Moore St., St. Charles, Mo., was solemnized at the Bethel Free Will Baptist Church in South Roxana, on Feb. 19.

Baskets of various flowers and greenery adorned the altar and burning tapers in branched candelabra illuminated the white carpeted aisle and sanctuary for the 7:30 p.m. double ring ceremony performed by the Rev. James Walker.

Nuptial selections included "If," "Time In a Bottle,"

"Close To You" and "The Wedding Song."

A formal length white organza gown fashioned with a long train and full skirt was worn by the bride.

She chose a matching lace trimmed veil of bridal illusion. Matron of honor Mrs. Dana Ellledge and bridesmaids, Mrs. Shirley Goodall and Mrs. Elaine Unger, both sisters of the bride, were gowned alike in long pink sleeveless jersey dresses complemented with matching jackets trimmed in burgandy velvet.

Each attendant carried burgandy velvet muffs with a cluster of pink roses attached. Sherry Hickam, a cousin of the bride, was the flower girl. She wore a pink jersey frock featuring burgandy velvet collar and cuffs and she held a white basket of pink rose petals. Keith Duncan served as the ringbearer.

The groom chose Richard Powell as best man. Larry Goodall, a brother-in-law of the bride, Rodney Bingham, Dennis Ellledge and Daryl Heim completed the corps of groomsmen and ushers.

Tammy Goodall and Andrew Unger, a niece and nephew of the bride, served as miniature bride and groom. She was dressed in a white frock similar to the bride's gown.

A reception was held at the church fellowship hall after the ceremony and the rehearsal dinner also was served at the church.

After a wedding trip to the Virgin Islands, the newly married couple are residing in St. Charles, Mo.

The bride graduated from Granite City High School and is employed at Venture Stores central office. The groom is a graduate of Orchard Farms High School and Rankin Technical Institute. He is an architect of the Harry C. LePique & Associates architectural firm.

Pi Eta holds pledge ritual

Pi Eta Chapter of Beta Sigma Phi Sorority, conducted a pledge ritual ceremony for Kathy Welch on Monday evening, at a meeting hosted by Mrs. Sandy Ascher at her home in Belleville.

Mrs. Judy Onesty, president, presided at the session. She announced the Easter project will be to make table favors which the chapter will donate to the Senior Citizens Center for use at various luncheons and dinners.

A program on classical music was given by the hostess who also played several selections to illustrate her topic.

Mrs. Barbara Kennerly will entertain the group at the next meeting designed to be "spring rush" week.

Others attending were Jerry Turner, Betty Beck and Mrs. Kennerly.

MR. AND MRS. DENNIS ORNE whose wedding took place at the Bethel Free Will Baptist Church, South Roxana. Formerly Miss Gail Penrod, the bride is a daughter of Mr. and Mrs. Albert Penrod, 2338 East 24th St.

Helen Reddy sends gold album St. John United

The Metro-East Chapter of the National Organization for Women (NOW), headquartered in Edwardsville, has received from renowned singer Helen Reddy her gold album of "I Am Woman," to be used as part of the chapter's fund-raising program in support of Equal Rights Amendment ratification.

The gold record was presented to Helen Reddy by

the Capitol Record recording company for reaching \$1 million in sales of the album, "Helen Reddy's Golden Hits."

Miss Reddy has long been an advocate of the women's rights and her song, "I Am Woman," was adopted as the theme song of the women's movement.

In association with the chapter's fund-raising program, Miss Liz Neeley,

chapter president, announced today a visit to this area of Gloria Steinem, prominent feminist and president of MS. Magazine.

Miss Steinem has agreed to speak April 7 in the University Building at Southern Illinois University at Edwardsville for the purpose of raising proceeds for the ERA ratification fund. Miss Steinem will announce the date of the Helen Reddy gold album winner the same evening, Miss Neeley said.

Further information about the projects may be obtained by calling the chapter president at 877-7477.

Weekend youth program at Suburban Baptist

A three day weekend program to begin on Friday evening at Suburban Baptist Church, 2600 St. Clair Ave., for the area youth and adult residents, will be conducted by the Baptist Student Union team from Missouri University, Columbia, Mo., which includes a member of the local church, Greg Terrell.

Leading the project, featuring special music, puppet shows, drama and worship services, will be Lisa Sanderson, Lori Reid, Dave Robertson, Kevin Kouba and Greg Terrell, according to the host pastor, the Rev. Harold D. Garrett.

Miss Sanderson is a sophomore clothing design major from Bowling Green, Mo. and also a Baptist Student Union (BSU) assistant director of student-witness department. A sophomore interior design major, Miss Reid is from Alton, Ill. She is a pianist and BSU worship committeewoman.

Dave Robertson, a senior

music major from Columbia, sings, plays the guitar and writes music. He is also BSU choir director.

Another member of the team, Kevin Kouba, from Florissant, Mo., is a sophomore music business major. He is a pianist, vocalist, writes music and is a BSU Fellowship committee member.

The Granite City team member, Greg Terrell, is a sophomore journalism major and also BSU student-witness director.

The initial event is scheduled for 7 p.m. Friday for recreation and fellowship and at 8:30 a.m. Saturday a breakfast will be served followed by visitation.

A special music inspiration program for both youth and adults will be presented at 7:30 p.m. Saturday. A morning worship service led by the BSU team will be at 10:30 a.m. Sunday and the evening worship with the host youth assisting will be conducted at 7 Sunday.

Install Right to Life officers

Mrs. Betty Stegemeier was installed as president of Granite City Chapter of Right to Life at a meeting last week in the board room at St. Elizabeth Hospital.

Other officers for the coming year, who were installed with Mrs. Stegemeier, include: Susan Gasparovic, vice-president; Teresa Alexander, secretary; and Barbara Jacobs, treasurer.

Committee chairmen appointed for the new club year, are: Barbara Morris, membership; Debbie Magary, ways and means; Barbara Jacobs, education; Matt Gasparovic, signs; Mary Bess, publicity; and Susan Gasparovic, special interest.

Mrs. Vicki Jacobs,

representative to the Illinois Federation for Life, reviewed a state meeting she attended in Springfield.

The new president also addressed the 25 persons attending, discussing various pro-life efforts being made and urging the members' continued support in future programs.

Mrs. Stegemeier said activities for the coming months include a garage sale in April, distribution of carnations on mother's Day and attendance at the national convention to Right of Life, scheduled in June at Chicago.

The chapter's next meeting will take place March 28 at 7:30 p.m. at the hospital.

Friendly Agers meet at church

The Rev. Eugene Dutton gave the devotional lesson taken from 2 Thessalonians, Chapter Five, at the luncheon meeting of the Friendly Agers Club at Second Baptist Church.

Art Hoffman led the opening prayer and hymns were sung by the members followed with a special hymn by Mr. and Mrs. Robinson.

Other musical selections were given by Mrs. Alice Hoffman and Mr. and Mrs. Harold Garin, accompanied at the organ by Jack Jenkins.

Mrs. Mina Duggins, president, welcomed four guests, Mrs. Eugene Dutton, Betty Lewis, Jack Jenkins, Donald Mayberry and two new members, Joe Cobson and Marie Boyd. A poem entitled, "Crumbling at the Corners" was read by Mrs. Naomi Rongey.

Officer reports were submitted during the business meeting and a card was signed for Grace Lambeth, a member who is ill.

Closing meditations were given by Rev. Dutton. Others attending were Mrs. Art Hoffman, Lena Stephens, Virginia Taylor, Florence Paul, Mamie Stroud, Lena Bonnavar, Ruby Clausen, Virginia Ficker, Gladys Hudgens, Dorothy Barnes, Ethel Cox, Rosemary Wilson and Lois Jones.

GEORGE BARKER'S NAME DAUGHTER AMY MARIE Mr. and Mrs. George R. Barker Jr., 3239 Maryville Road, are announcing the birth of their first child, a girl, born March 1, at St. Elizabeth Hospital.

The new arrival weighed nine pounds, two ounces and has been named Amy Marie.

Mrs. Barker will be remembered as Patricia McGowan, a daughter of Mr. and Mrs. Patrick McGowan. Paternal grandparents, are Mr. and Mrs. George R. Barker Sr.

Lenten services

The old fashioned type Lenten services are being conducted this year at St. John United Church of Christ, 2901 Namecki Road each Wednesday evening, beginning at 7:30 according to Rev. Dr. Paul Surbey. The weekly theme is a study of the "Followers of Jesus."

To date the congregation has studied the following disciples: "Andrew, the First Missionary" and "Thomas, the Doubter". The schedule for the next four Wednesday evenings are: "James, the First Fireman"; "Philip, the Slow Learner"; "Judas, the Impetuous Trickster"; and "Peter, Impulsive and impatient".

Child care is provided each Wednesday evening for preschool children. Both the students of the church school and all families of the congregation are participating in the Lenten project called "The Hunger Boxes".

Mothers Club donates

Lincoln Place Mothers Club members agreed to donate money to the Joe Gonzalez fund and to the Granite City Amateur Hockey Association at its monthly meeting last week.

Working day mass at St. Joseph's

St. Joseph Catholic Church is offering an opportunity for people working in Downtown Granite City to hear a mid-day mass during the Lenten season.

The Rev. Peter Donohoe, pastor, said masses will be celebrated at 12:05 p.m. Monday through Saturday at the church, located at 2101 State St.

The public is invited to attend, especially working people, the priest said.

Ask about BUDGET BILLING at Illinois Power Company

There are many reasons why your natural gas and electricity bills go up some months and down in other months. Weather may be unusually hot or cold. You may use appliances a lot in one month and less in another. Summer vacations or holiday guests affect your use of energy.

These ups and downs can make it hard to budget your utility bills. So, for your convenience, we offer Budget Billing. It helps level out your bills to even amounts each month.

We estimate your annual IP bill, based on past energy use. This amount

is divided into 11 equal monthly payments. The 12th month is used to adjust your account. Any difference is credited or billed to you.

Budget Billing helps you avoid larger bills during peak heating and cooling periods. And it puts stability in your household budget! There's no contract to sign. You can discontinue the plan at any time.

Find out more about Budget Billing. Visit your nearest Illinois Power business office. Or fill in the coupon below and mail today.

Please send me more information about budget billing.

Freedom from constant care and repair. Because it's aluminum, sun and exposure can't crack it, warp it, split it! Cold, rain and wind can't weaken it or rot it. Weather is locked out, year around comfort locked in.

Protection against roof fire. Because it's aluminum, it will not ignite from flying sparks, falling embers or other outside sources of fire. Kaiser Aluminum Rustic Roof protects as it beautifies!
